To use a regulatory food safety auditor, facilities must meet the following conditions:

1. Have a satisfactory compliance history (*no outstanding improvement notices, no penalty notices or prosecutions in past 3 years, and a minimum of two A or B rated audits after a D or E rated audit*).
2. For current licensees, have received either an A or B rating from the most recent audits.
3. For new licensees, have received either an A or B rating at two licensing audits.
4. Operate in an industry, and at a risk level, approved by the Food Authority to move to the third party audit system.

Please note: Businesses registered for export need to supply written approval to use this system from the Australian Department of Agriculture, Fisheries and Forestry.

Please complete this form and return it via:

- Post to PO BOX 232 TAREE NSW 2430
- Email to food.licensing@dpird.nsw.gov.au

You will receive a letter notifying you of the result once our application has been processed.
